Future Foodies Retail, Butchery, Bakery work placements

In partnership with **Foodstuffs** North Island, **Education Industry** Solutions (EIS) & Skills4Work we offer Future Foodies work placements.

Contact **EIS** to register your interest. Skills4Work will get your work placements.

Skills4Work liaises with New World, PAK'n Save, 4 Squares and **Raeward Fresh** to aquire work placements.

EIS gives you all the information you need for the student to start and arranges the induction with the workplace

EIS will provide support and follow up during the term holidays or weekly workplace placement.

Skills4Work provide the assessment support for the

student/school.

Skills4Work marks the assessment and provides the results to the school. (no need for a registered Assessor). Skills4Work provide the results to the school for registration

with NZQA using

our provider code.

Already have a work placement somewhere else?

You can use our packages with any independent bakers or butchers.

Contact Gary at EIS on 021 075 4885 or email gary@educationindustry.solutions

Individual unit resources linked to vocational pathways

Choose individual vocational units from our extensive list. Students can do these in the workplace.

Sign a MoU with us and get started.

We provide assessment support for the student & school.

Student benefits

If this is a student's passion and they have a good attitude, there may be a job or apprenticeship opportunity.

If they can't get an apprenticeship, we have a full time course to become qualified as a butcher or baker.

Contact Skills4Work to learn more.
